Church leaders often fall into ruts, working on automatic pilot just trying to get things together, which does not allow for much creativity or focus on designing services that lead to transformation for those involved in them. Engage is a step-by-step, stress-free guide to planning worship services that allow for and foster true life change.

Comprehensive in scope, Engage provides teaching pastors, worship leaders, and volunteers with the tools they need to work together to develop and implement a worship planning system that improves communication, enhances creativity, and honours Jesus every week.
