Lippincott Williams and Wilkins, United States, 2013. Paperback. Book Condition: New. 11th Revised edition. 274 x 208 mm. Language: English . Brand New Book. This 11th Edition of Timby and Smith's best-selling text equips LPN/LVN students with the practical knowledge and skills necessary to provide safe and effective nursing care to today's medical-surgical clients. Acclaimed for its highly visual and easy-to-understand presentation, this edition prepares you to manage client nursing care in today's changing healthcare environments and eases the transition from classroom to clinical practice. You can increase your understanding of the nursing process and its relationship to the client's needs through new Nursing Concept Map visuals. You can see how the NCLEX-PN exam relates to chapter content through new Integrated NCLEX-PN questions that appear in each chapter. You can see how research relates to practice through Evidence-Based Practice boxes that include a Clinical Question, Evidence, and Nursing Implications. You can fine tune your understanding of diseases, procedures, signs, symptoms, and normal vs. abnormal comparisons through dynamic visuals that replace text explanations when a picture better tells the story. You can enhance your understanding of how pathophysiology, signs and symptoms, and nursing care differ for the older population through updated Gerontologic Considerations displays. You can master the special considerations you need to remember when caring for clients who are receiving specific drugs through Pharmacologic Considerations displays. You can handle the special nutritional needs of clients with certain types of conditions with Nutrition Notes displays. You can increase your understanding of important physiological or pathophysiological concepts by viewing Concepts in Action Animations on the Point website. You can increase your recall and practical assimilation of concepts with each chapter's Stop, Think, and Respond exercises. You can develop a solid understanding of nursing care with more than...
