This book will explore the lessons that we can learn from him, relating both to business and to life in general. Jobs was an incredible businessman and entrepreneur, so we can learn many tactics for succeeding in business from him, such as the importance of good leadership and how thinking big but keeping it simple is an effective business model. We can also learn many lessons from him that are related more to general life; these lessons can help us embrace who we truly are and live life to the fullest. Steve Jobs wanted to change the world by his creation of personal computing products, and he was successful. Maybe you are not interested specifically in computers or business; but by putting into action some of these lessons that Steve Jobs has taught us, we too can change the world in our own way.
