## IDAHOME ROAD

BookSurge Publishing. Paperback. Book Condition: New. Paperback. 268 pages. Dimensions: 8.0in. x 5.2in. x 0.7in. Idahome Road is a collection of stories that mirror the memoir-morphosis of a knucklehead kid into a nature loving knucklehead adult. From the trappings of girls choice Dances with She-Wolves to trapping actual wolves in Give Paws to the Cause the adventures within have been lived and loved and often earned the hard way. The result is an assemblage of short stories; just some highlights, lowlights, and plenty of nonsense in between that have been painstakingly tweaked and threaded together into a much larger tale about the bumpy path to self enlightenment and blunt testicular trauma. This book is far less about civility and political correctness and much more about quest to rediscover those raw and wild elements still much at play in the hearts of men. I have wagered my existence on the eternity of these things: not earthly possessions but blood and bone and the tides that propel them This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
