

## Hamlet: The Oxford Shakespeare

Filesize: 5.05 MB

### ***Reviews***

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Hamlet: The Oxford Shakespeare, William Shakespeare, G. R. Hibbard, Hamlet's combination of violence and introspection is unusual among Shakespeare's tragedies. It is also full of curious riddles and fascinating paradoxes, making it one of his most widely discussed plays. Professor Hibbard's illuminating and original introduction explains the process by which variant texts were fused in the eighteenth century to create the most commonly used text of today. Drawing on both critical and theatrical history, he shows how this gusion makes Hamlet seem a much more 'problematic' play than it was when it originally appeared in the First Folio of 1623. The Oxford Shakespeare edition presents a radically new text, based on that First Folio, which printed Shakespeare's own revision of an earlier version. The result is a 'theatrical' and highly practical edition for students and actors alike. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
