Orion Publishing Co, United Kingdom, 2016. Paperback. Book Condition: New. 200 x 139 mm. Language: English . Brand New Book. East End saga queen Jean Fullerton returns with a delightful new novel in the Nurse Connie series It s 1948 and the nurses of the East End of London are making the most of life post-war. For Connie in particular, things are looking rosy as she looks forward to planning a future with her sweetheart, Malcolm. But, as many a young bride-to-be has proved, the course of true love never did run smooth and Connie finds herself having to grapple with interfering mothers and Malcolm s reluctance to set the date. But while there are many obstacles to overcome before walking down the aisle, at least Connie can relax in the knowledge that she ll soon be married to the man of her dreams, can t she? Life at work isn t all smooth sailing either. The newly-formed NHS is keeping the nurses of Fry House extremely busy and as ever in the life of a nurse heartbreak lurks at every turn. But there are some new faces to keep things interesting. And one in particular might be the answer to all of Connie s problems.
