

Hiss: A Story About Love, Trust and Growing Up (Paperback)

By C. J. Hoffman

AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. Hiss is a story that will take you on a roller coaster ride of imagination and emotion. You and your child will experience excitement, comfort, uneasiness, and back to comfort again, in a few short pages. The use of imagination is stressed in this book since the only pictures that you ever see are of the environment that surrounds Hiss home. You never see Hiss or his mommy. You only have to read about them to experience their emotions as they live their daily lives. Although Hiss and his mommy are described in loose detail in book, there is much left to the imagination of the child. Discussion of some elements of the book may be initiated by the child and the reader will find that he or she will become part of this book. Describing an Emu or how fangs (teeth) grow in, can forge a bond between child and reader, and may be cause for discussion in the future. Enjoy this book to the fullest that your imagination can take you and your child.
