Reviews

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.

(Stefan Von)

DEVON SKETCHBOOK

Survival Books. Hardback. Book Condition: new. BRAND NEW, Devon Sketchbook, Jim Watson, Jim Watson, Devon is many people's idea of the ideal country place to live. But the county is far more than a country idyll set in an equitable climate. Whatever you like to do outdoors you'll find all you need in here. Some counties are pleased to boast one National Park, but Devon contains two: all of Dartmoor and a significant third of Exmoor. Unique in England, the county also boasts two separate and distinct coastlines, with some of the best beaches in the southwest. You can tramp across wild moorland and walk along the South West Coast Path; or east from Exmouth on the south coast and explore the beginning of the geological treasure house, the Jurassic Coast. Devon also has some of Britain's most-loved seaside resorts, historic towns and cities; picturesque villages set in gentle hedged landscapes crossed by narrow winding roads; and some of the best sailing and boating centres in the southwest. Truly, it has something for everybody. The author has been visiting and enjoying Devon for well over 40 years and researching this book enabled him to renew acquaintances with old friends and to discover new places that he looks forward to visiting again. Most of his favourite locations were largely unchanged. Devon has a timelessness that's reassuring and comforting, especially if you live in a part of the country that's rapidly changing. Devon Sketchbook will guide you to a plethora of favourite places along the north and south coasts of the county, plus some in the Exmoor and Dartmoor National Parks. It will tell you how to get there, where you can park and what to look out for. It's intended to inform, entertain and, if you're a visitor, give you something...
