

Sayings of the Buddha: New Translations from the Pali Nikayas

Filesize: 8.78 MB

Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

(Tomas Witting)

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Sayings of the Buddha: New Translations from the Pali Nikayas, Rupert Gethin, 'As if someone were to hold up a lamp in the dark so that those with eyes could see - in exactly the same way Gotama has made the truth clear in various ways.' Gotama the Buddha, who lived the life of a wandering ascetic in northern India during the fifth century BCE, is looked to as the founder of one of the world's major religions. One of the main sources for knowledge of his teachings is the four Pali Nikayas or 'collections' of his sayings. Written in Pali, an ancient Indian language closely related to Sanskrit, the Nikayas are among the oldest Buddhist texts and consist of more than one and a half million words. This new translation offers a selection of the Buddha's most important sayings reflecting the full variety of material contained in the Nikayas: the central themes of the Buddha's teaching (his biography, philosophical discourse, instruction on morality, meditation, and the spiritual life) and the range of literary style (myth, dialogue, narrative, short sayings, verse). ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
