RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 90 pages. OCLC Number: 55676881 Excerpt: . . . opportunities for extended learning experiences. The chart indicates these subject areas by activity title. In addition, many of the student activities encourage student problem-solving and cooperative learning. The length of time involved for each activity varies according to its degree of difficulty and the development level of the students. Finally, the guide concludes with a glossary of terms, suggested reading list, NASA educational resources including electronic resources, and an evaluation questionnaire. We would appreciate your assistance in improving this guide in future editions by completing the questionnaire and making suggestions for changes and additions. A Note on Measurement In developing this guide, metric units of measurement were employed. In a number of instances, English units are used or shown along with metric units because of the standard practices in the aviation community, such as altimeters displaying feet instead of meters.
