Adults Abused as Children: Experiences of Counselling and Psychotherapy (Hardback)

By Peter Dale

Sage Publications Ltd, United Kingdom, 1999. Hardback. Book Condition: New. 241 x 162 mm. Language: English . Brand New Book. This is a useful book that offers insights into outcomes for a sample of adults who sought help for the effects of their childhood abuse and the affect of the personal qualities and approaches of their therapists. It traverses some controversial ground and because it brings to light issues that are often on the back burner should be compulsory reading for all the therapists working in this field - International Social Work This book is an extensive overview of practice-based research on therapy for adults who were abused as children, physically, sexually or emotionally. Peter Dale looks in detail at the lessons to be learnt from people's experiences of therapy. A relief to find such a comprehensive well-researched book on the subject from a psychotherapeutic perspective. Its wider relevance is that we (society, therapists and service-planners in particular) must learn from people who have been abused as children, so that appropriate and supportive services can be set up - Transformations, The PCSR Journal I believe this book - based on Peter Dale's research into the experience of 53 clients...

Reviews

Thorough manual for ebook fans. It had been written quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.
