SPOILING TIBET: CHINA AND RESOURCE NATIONALISM ON THE ROOF OF THE WORLD (PAPERBACK)

ZED BOOKS LTD, United Kingdom, 2013. Paperback. Book Condition: New. 214 x 136 mm. Language: English . Brand New Book. The mineral-rich mountains of Tibet so far have been largely untouched by China s growing economy. Nor has Beijing been able to settle Tibet with politically reliable peasant Chinese. That is all about to change as China s 12th Five-Year Plan, from 2011 to 2015, calls for massive investment in copper, gold, silver, chromium and lithium mining in the region, with devastating environmental and social outcomes. Despite great interest in Tibet worldwide, Spoiling Tibet is the first book that investigates mining at the roof of the world. A unique, authoritative guide through the torrent of online posts, official propaganda and exile speculation.
